Aerial photos acquired March 12, 2011 by Geospatial Information Authority of Japan (GSI), Ministry of Land, Infrastructure, Transport and Tourism

Framework

The products elaborated for this Rapid Mapping Activity are realized to the best of our ability, within a very short time frame, optimizing the material available. All geographic information has limitations due to the scale, resolution, date and interpretation of the original source materials. No liability concerning the content or the use thereof is assumed by the producer.
